Vice President for Research and Technology Transfer

Subject: Extension of Deadline for Abstract Submission for AAU Research and Fairs Week 2024

As you know, the annual Research Week is scheduled for May 13-17, 2024. I hope colleges and institutes have already established committees and diligently working to celebrate the Week colorfully as usual.

Today, 22 April 2024 is the deadline for **Call for Abstracts**. However, the number of submitted abstracts is below expectation. Therefore, the deadline is rescheduled to 28 April 2024 so that we can receive more abstracts. Please urge your staff and postgraduate students to submit their abstracts using research24@aau.edu.et before the deadline.

Please send the poster presentation for print on or before 29 April 2024. You can contact: habtamu.getnet@aau.edu.et for any help or clarification. The Book of Abstracts will be compiled, edited and printed following the completion of the research week.

Regards,

Cc: **President Office**
Vice President for Academics
